Hometown: Harrisburg, Pa.

Hey! It's me, Lindsey. Cutie-pie Claire was the most famous girl in her high school. No, she wasn't valedictorian or prom queen. She had a much more...flashy reputation. :)

Lindsey: So, Claire, I hear that *everybody* was cheering for you at your graduation ceremony.
Claire: Yup! Well, the *guys* all were. When I went up to get my diploma, I flashed the whole auditorium!
Lindsey: Boobs or butt?
Claire: Butt. I just lifted my gown, like, Hello, here's my booty.
Lindsey: Did you hate school or something?
Claire: No, I got pretty good grades and had tons of friends. I mean, until I started having sex. Then all the jealous hating started.
Lindsey: You mean from girls?
Claire: Of course! Just because lots of guys liked me, the girls said I was a slut and that I had sex with six guys in one night.
Lindsey: You're saying that wasn't true?
Claire: I've only had sex with *two* guys in my *life*. I can't help it if they all *want* to have sex with me. I'm not trying to take them away from the other girls.
Lindsey: But why did you show your booty at graduation?
Claire: Just to show everybody I don't care what they think. Even if I *did* have sex with six guys at once, what's wrong with that? It's *my* body.
Lindsey: Is that, like, your fantasy?
Claire: No way! Six guys would be too much. *Two* guys at once—*that* would be hot.
Lindsey: What about a girl and a guy at once?
Claire: Sure! I've never done any lezzie stuff, but I'd love to, like, make out with a girl while a guy is licking my pussy.
Lindsey: What's your favorite thing that you've already done?
Claire: Definitely butt sex, 'cause it's *so* dirty.
Lindsey: I can see why you have a bad reputation.
Claire: I think I have an *awesome* reputation. I'm totally free and ready for fun! Just wait until college this fall.
Lindsey: Are you going to have an "awesome" reputation there?
Claire: I will as soon as they see this issue of BARELY LEGAL! ★

"Two guys at once would be hot."

PANTY CONTEST WINNERS

Announcing the results of BARELY LEGAL's March 2008 Panty Giveaway contests! In the words of one winner, the "panty gods" have smiled on readers B. C. of North Carolina, who snagged Haileey James's adorable undies; Timothy J. Speer, who captured Carmen McCarthy's sassy skivvies; and A. C. G. of Virginia, who is now the proud owner of Rachel Milan's mouthwatering unmentionables. Congratulations, guys!

Dear BARELY LEGAL staff,

I have just finished looking at the March issue of BARELY LEGAL, and after seeing Haileey James—I tell you, I'm in love or heat or maybe both. I wish I was 20 years younger and lived near Haileey. I would offer my fingers to help her masturbate 24/7-365, no questions asked. And I would offer to run my Hoover-like mouth and tongue through her plush and very nice shag carpet, and as far as giving it to her up her plump and delicious ass, count me in—no pun intended.

Haileey, I'm sorry about your bad experience with your ex, but any guy who has you to come home to and would prefer to look elsewhere has serious issues. You are a true HOTTIE!!

If I were to win your sacred panties, I would put them in my panty scrapbook, and even though I would never have known the ecstasy of being intimate with you, your panties would be kissed, worshiped and cherished nonetheless.

You have a beautiful smile, and I would love to dispense my special toothpaste all over your pearly whites. You have some of the sexiest breasts I have ever seen, and I get hard when I look at your delicious, meaty pussy lips. I hope to be seeing lots more of you in BARELY LEGAL. You have stolen my heart forever. Thank you for the great photo-spread, and if the panty gods smile on me and let me win your panties, I will consider myself truly, truly, truly blessed.

Your #1 fan,
B. C.
North Carolina

Dear Rachel Milan, c/o BARELY LEGAL staff,

I saw your pictorial in BL March 2008. Whoa!! I may be biased because I'm half-Italian, but I like a girl with dark eyes, dark hair and an olive skin tone. While I came many times looking at your body, on my final thrust, I looked at your eyes and smile. Sound corny? No! It's the truth. Your penetrating eyes and *beautiful* smile are telling me that you like me looking at your pictures and you like me masturbating to them.

I would really like a pair of your panties. I would smell them and then come on them as I look at your approving face.

***Truly*, from a dirty old man (40),**
A. C. G.
Virginia

Dear staff,

I am writing to let you know how wonderful your magazine is and to win the panties of Carmen. Please do me the favor of asking this sweet angel to soak them in her sweet pussy juice before sending them my way.

Just a glance at those Texas-size tits makes me want to explode all over them. Carmen says that she likes her guy to come on her stomach or ass, which I would be happy to do, but I sure hope she lets her big tits in on some of the fun.

Carmen is by far my favorite girl ever featured in your magazine. She has to be something special, as she is the only girl that I have ever taken the time to write about. My favorite picture of her has to be of her squeezing her 38Ds together, with her cute little smile and gorgeous eyes working for her. That picture makes me lose my load every time.

I would enclose her panties in glass and hang them above my bed so they would last forever. I would also place a picture of her 38Ds next to her panties behind the glass.

Please let Carmen know that I would be more than willing to make her ultimate fantasy come true. I would rent out a fantasy room at a local Radisson that has a Jacuzzi and different themes. I would fill the entire room with roses, candles and some goodies from Victoria's Secret, and I would promise to give it to her hard, just like she wants it.

It sure is true, things are bigger in Texas. You have my heart, Carmen, and can have my swelled-up penis anytime.

Yours truly,
Timothy J. Speer
Pennsylvania

Dear BARELY LEGAL,
Thank you for choosing my letter for the October 2007 Sammy Panty Contest. I never have much luck at winning things. This just might turn things around for me. Sammy's panties are my most prized thing I own. Could you please tell Sammy thank you for me? And let her know, if she is ever in the Seattle area, look me up. It would be an honor to show her around our city.

Thank you again,
S. B.
Washington

Dear BARELY LEGAL,
When I look at your outstanding magazine, I look back at 20 years ago. I think of the chicks back then and how things have changed, from girls having pubic hair to the bald lovely ladies of today. I finally got my wife of 17 years to go bald. There is nothing better than a bald PUSSY. Girls with piercings and tattoos are hot, too.

Anyways, I'd like to thank you guys and Larry Flynt for putting out an outstanding publication. Keep up the good work, and aloha from the island of paradise, Honolulu, Hawaii.

Mahalo,
C. C.

Dear Lindsey [February 2008],
Oh, my fucking God (yes, there is such a deity!)!! I always check your photo out before the other girls. I have long considered your bod as prime, compared to the newbies in the rest of the mag. Yes, they have their place, but you are number one. You outdid yourself this time, girlfriend! What a tremendously delish ass you have!! Slap some stockings on those gorgeous legs, and I'm all up in that Kool-Aid. Forget about those animals telling you they love hairy bushes, smooth is the only way. I know you have a little fuzzy, but I bet I could lick away the evidence for you!!

Ciao,
Butterfly
by Internet

Ooh! Guess I'll keep shaving, then. 'Cept for that little bit. ;) ***—Lindsey***

Dear Lindsey,
I love your publication and enjoy the constant parade of fresh-faced, sexy girls you find. You've really outdone yourself lately. I can't get over Holly in January's issue. She has the cutest smiling face, and I just know her tantalizing butthole would be delicious!

Then in February's issue, I see Faye's huge, puffy nips begging me to wrap my mouth around them to suck. Don't even get me started on the sight of Heidi's stiff nipples poking out like a pair of Hershey's Kisses!

My one request would be for the occasional picture of your girls with wet hair. The sight of a girl with her wet hair pulled back is *sooo* sexy! Maybe fresh out of the shower?

Lindsey, before I read each issue, I turn to your photo to jack off my first load. You would look so sweet with my cum across your eyes and forehead!

Imagining you sticky,
Keith
Arizona

Thank you for the awesome compliment, Keith! I'm not sure if I can get anybody to pose fresh out of the shower. You know how girls are about their hair! :) But I think it's a totally sexy idea, so I'll work on it.... ***—Lindsey***

Dear BARELY LEGAL,
I've been attracted to women with big breasts, but big nipples are very sexy and desirable! Faye has a beautiful face, hair, eyes, breasts, nips and vagina! I *don't* want to spank Faye or pull her hair or bite her! She's a beautiful young lady! All the young ladies are pretty desirable, but Angelina, Heidi and Faye are absolutely gorgeous, sexy and stimulating!

The bonus DVD was an added bonus of pleasure-bringing women!

I bought the movie *The People vs. Larry Flynt* and really think it is entertaining—sad in parts, funny in parts, but entertaining! Larry does a great performance as the judge! Woody Harrelson, Courtney Love and Edward Norton give good performances, and I'll watch it more than one time!

Sincerely,
M. B
North Carolina

I love that movie, too, M. B.! It's the reason I wanted to work here. Well, that and all the hot girls.;) ***—Lindsey***

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. Can I ask you guys a *super* personal question? Have you ever, like, had an orgasm without even...you know...touching yourself? Because that has never happened to me in my entire life—until today!

I was just innocently flipping through the July 2008 issue of BARELY LEGAL before sending it to the printer—just, you know, being professional and looking for last-minute changes and corrections—and BAM.

It started with the very first layout. I guess I was looking at Claire's shaved pussy—you can totally see every little bit of it—and all of a sudden I felt this whirling feeling down below, and my head got all light, and...I was having an orgasm! My hand wasn't even *near* my cooch!

I kept flipping pages, trying to do my job, but it just kept happening, over and over. I turned to Regina's big, juicy booty and—SPLOOSH! A big, juicy O. Then Yumi's yummy-soft furry beav popped up and—BZZZZZZ! My head flew right off my neck. Then April's ginormous milky boobs swung into view and—WHAM. Over and over, page after page!

So, you guys, is this normal? Has it ever happened to you? If it has, let me know. And if it hasn't...I hope it does! ;)

Georgia Rule

Okay, Lindsay—we get it. You haven't been in BARELY LEGAL for a few months, and you're feeling neglected. How else do you explain your behavior, young lady?

According to *very* reliable sources, you totally stole a girl's fiance while you were in rehab, and as soon as you got out, you went to Italy and hooked up with three guys—in 24 hours.

You ditched Disney movies completely and played an out-of-control teen in *Georgia Rule* and a stripper in *I Know Who Killed Me*.

And now here you are parading around in a bikini top three sizes too small for your ginormous titties, *so obviously* trying to get into *BARELY LEGAL Boob Watch* for the third time.

Well, you know what, Ms. Lindsay "Look at Me!" Lohan? It worked!

DANICA PATRICK

YOUNG CELEB FANTASY

Danica Patrick is our total idol. She's only, like, 5-2 and 100 pounds, but she races crazy-fast cars against guys twice her size. Plus, she's one of the only girls ever to get into this big-deal race called the Indianapolis 500. But mainly we idolize her 'cause she does all these manly things while looking *completely hot*.

Reader R. B. of West Virginia agrees and would like to see her naked. So would reader K. S. of Florida, who writes, "I bet she has lots of hair on her pussy!"

That's just what we were thinking! So, here she is—our furry fantasy Danica. Looks like a winner!

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

DISCLAIMER: Parody picture; no such picture of Danica Patrick actually exists. This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

REGINA

dirty in a good way

photography by denys defrancesco

Hey, guys! I'm Rachel the intern. Regina agreed to pose for us on one condition—no jokes about Idaho. Just because a hot, naked college girl likes butt sex does not mean she's a ho!

Interests: Music, movies, friends, cooking and writing.

What do you do besides model? Well, I'm not a *real* model. I'm just a regular college student. I just sort of fell into modeling, but I like it. I'm not, like, all ashamed of my body, so, whatever.

How's college going? I miss my family and pets very much, but it will all be worth it in the end. I love my roommates—especially my pickle friend.

Do I wanna know what that means? What? Can't two girls innocently enjoy a jar of pickles—okay, *not* so innocently!

Are you seeing anybody? Not exclusively, but there are some guys I have my eye on.

What do you look for in a guy? I like funny men who like animals.

What about girls? Are you bisexual? I'm *try*-sexual—I'll try anything!

What's the craziest thing you've ever tried? In bed? That would have to be butt sex!

Did you like it? Yeah. I felt really mature afterward—like I'm not that innocent anymore.

What are you like in bed? I'm playful, sensual and passionate—with a little freak mixed in to push my sexual boundaries.

What's the best way to get you into bed? First, just, like, have a real conversation with me. Next, you might not believe it, but I want a *little* romance. Like, taking a bubble bath together and getting all squeaky clean turns me on. 'Course, the best part is getting all dirty again right after. ;)

What's the best way to make you come? I'm really sensitive in weird spots. If you, like, nibble my ear or rub my belly during sex, I come almost instantly.

Have you ever been caught having sex? No, but one time this guy and I had really loud, wild, monkey sex, and I think everyone in the dorm heard us!

What's your wildest sexual fantasy? Well, I *have* always wondered what it would be like to have a threesome.

What are your plans for the future? I'm not really sure. I'll probably get a good job when I graduate, but I hope I'll be able to share my life with someone special. ★

YUMI

super furry cutie

Hey, guys! It's Nikki the intern. I wish I could say I got to talk to yummy Yumi in person, but I don't speak Japanese! So instead, we had a translator do it for us. Enjoy!

Favorite color: Blue.

Favorite food: Cola, ethnic cooking.

Favorite place: The beach.

Favorite movies: Comedies.

Favorite sexual activity: I like wearing costumes—nurse, schoolgirl, cat girl, maid.

Turn-ons: Good grooming and personal hygiene.

Hobbies: Watching movies, sports, art, dancing. I was involved in many sporting activities during primary and middle school. Tennis is my favorite. In high school, I got into art. I think painting nude models helped me get more comfortable with the idea of posing naked.

How did you get into modeling? I was scouted by a talent agency while shopping in Tokyo's Shinjuku neighborhood. I was just out of high school and working part-time in the food-service industry. I wasn't impressed with the talent scout, but when I met the company president, I thought, This guy is really great. I'm going to work here!

Were you nervous your first time? Yes. Very much! I was very embarrassed.

Do you enjoy it now? Yes, I do. You have to enjoy it, or else you won't make good photos.

Relationship status: Single. I have decided to not have a steady boyfriend while I'm modeling.

Most sensitive part of your body: Clitoris.

How often do you masturbate? I'm kind of shy and not very experienced. I've only masturbated a few times in my entire life. Never with toys. They're too loud!

Have you ever had an orgasm? Not yet. Guys always finish before I can come.

Do you like oral sex? Yes, very much.

Do you swallow cum? I was doing that for my boyfriend. I always thought about him before myself.

Do you always think about your partner more than yourself during sex? I don't think about it too much if I'm feeling good, but if it's not good, all I think about is how to make him happy.

Have you tried anal sex? Not yet. If I had a boyfriend who wanted to do it, I would.

What's the naughtiest thing you've ever done? I've been trying new things. My skills are getting better. Recently I got titty-fucked for the first time. I think I need bigger boobs for that! I've also experimented with having sex in public and having sex with two guys at once.

What's your ultimate sexual fantasy? I like to think about men getting turned on by my pictures. I would like to have sex in front of guys and watch them jerk off to me. But I'm still way too shy for that!

What is your dream? Someday I want to get married and become a housewife. But for now, I want to do everything I can do—as much as possible. I want to enjoy this job for a while. ★

TEEN QUEEN
OF THE
MONTH

NIKKI BROOKS

photography by mark lit

Age: 18
Height: 5-6
Weight: 135 pounds
Measurements: 36D-26-38
Hometown: Scottsdale, Ariz.

Hey, it's Lindsey. Our super hot Teen Queen of the Month says she never went on a date in high school. WTF?!

"I said I never went on a date with a *boy* in high school," laughs Nikki Brooks. "Boys *never* asked me out. Only *men* did."

"Well, don't worry," I go. "Once you start college this fall, guys your age will totally be after you."

"I hope not!" says Nikki. "I'm hooked on older guys now!"

Romantic status: I just broke up with someone, but it's cool. I'm a girl on the go!
Fave hobbies: Eating, sleeping and fucking. I have pretty simple needs.
Most sensitive area of your body: Well, for every girl, it's the clit, isn't it? But my *second* most sensitive area is my feet. Like, I always get pedicures? But sometimes it's really embarrassing because I get super turned on, and I'm sure the pedicure lady can tell. I mean, I can hardly even sit still while she's holding my foot and brushing the polish on.
Biggest turn-on: Gray hair. Not the *whole head*, but a little bit of gray on the sides.
Biggest turn-off: Being too serious and intense. I just want to have fun for now.
Something nobody knows about you: I speak Spanish fluently. I think it's the most romantic-sounding language. If a guy spoke Spanish to me, I would melt.
Fave masturbation method: Finger my clit. I'm not into toys. If I need a big, long, hard thing to stick in my pussy, I just go for the real McCoy!
Fave sex position: Doggy-style. That's the way my booty looks the best.
Spitter or swallower: Whatever the guy wants! I just love sucking cock. I purposely got a tongue piercing so I could make the guy feel extra good when I roll it all over his dinger.
Butt sex, yay or nay: Nay for now. I'm still working up my nerve.
Ideal guy: Well, older, like I said. But *not* married. He should have lots of sexual energy and know how to have fun and make me laugh.
Best way for a guy to get into your panties: Give me a foot massage! A *lonnng* one.
Ultimate goal: I don't think too far ahead. I just want to do well in college. And maybe bag a professor or two! ★

Are you old enough for me?
Love,
Nikki Brooks

LEAVING IT ALL BEHIND

A TRUE CONFESSION BY JORDANA PEROT

photography by richard kern

Oh my gosh, you guys—how long has it been since the last time I was in BARELY LEGAL [*Jordana: Man in My Moon*, July 2006]? I was so shocked and just, like, honored when Lindsey called and asked did I want to do some more photos.

I have a whole different life than I did back then. For one, I'm 20. Old fart, huh? J/K! Seriously, though, the big deal is that now I live in New York City. I *love* it here. I've totally found myself.

In case you didn't know, I lived in Davenport, Iowa, my whole life. Pretty much since high school, I was dying to leave and go to New York—a big city where things actually, like, *happen*.

After graduation, I stuffed my clothes and iPod into my pimpin' 1991 Camry and headed out. My mom cried a lot and so did I, but Mom's cool and kind of a hippie so she totally understood that I had to pursue my dreams.

Three days after I pulled out of the driveway, I arrived in New York City. Manhattan was hot and kind of stinky, but it was heaven to me. My first day there, I saw this ad: BROKE GIRLS NEED FOURTH ROOMMATE, $600/MO. Soon I was living on the fifth floor in a two-room apartment on the Lower East Side with Hannah, Lucy and Lane.

I *meant* to find a job right away and make something of myself, but those girls were a bad influence from the start. We spent our nights hopping bars and drinking PBR. I was like a girl gone wild, 19 years old in New York with a group of hot roomies.

They are still *so* hot. Hannah's got hair like Bettie Page and dances with this burlesque show called Lady Spanks. Lane, meanwhile, is a total brainiac, but she's little and cute like Juno, from that movie. Lucy, she's my soul sis. She even kind of looks like me, only with big boobs.

I should just tell you about our wildest night ever. It started out totally normal, just drinking and stuff. We ended up at karaoke and then stumbled home tipsy with everybody singing "Piece of Me" even though we all hate Britney.

Well, when we got home, Hannah started dancing. She has the *best* body—she's, like, a total pinup girl with a big, round butt and long legs and full tits. You'd have to be made of stone not to think she was hot and sexy. Even if you never had lezzie feelings before.

Lane, she's usually pretty reserved, but she's also gay for real. She was drunk enough to twirl on over to Hannah and throw her arms around her neck and start kissing her like they were real-life girlfriends. It was hot to watch.

Next thing I knew, my sweet, innocent BFF Lucy had her tongue in my mouth and we were squeezing each other's boobies! At first I thought we'd just giggle and make out a little bit, but she was like an animal unleashed. Maybe she got inspired because Hannah and Lane had gone all out. I mean, Hannah was sitting on Lane's face and riding her like it was a lesbian rodeo or something. Whatever got into her, Lucy wasn't playing. I was wearing a little corduroy skirt, and Lucy just stuck her head in there and tore my panties off like they were Kleenex and went to town on my pussy.

I slid down to the floor and closed my eyes and let Lucy's awesome tongue action carry me away. I was all caught up in the moment, and apparently my mouth was wide open because suddenly there was a nipple between my lips. Hannah had strutted on over and stuffed her tits in my face. I almost felt violated, the way she forced her boobs on me! But I loved it, too, no lying.

I opened my eyes halfway and saw that Lane was working hard on Lucy's coochie. Lucy was on the floor licking me and her little butt was in the air, so Lane had just helped herself. Of course Hannah couldn't be left out of *that* action, so Lane got busy with *both* pussies. I was just lazy as hell, slurping Hannah's big jugs while Lucy made me come like she was a natural-born dykette.

What a night! It didn't exactly change our friendships, except that things got a little more lezzie in general after that evening. Like, it wasn't unusual to come home and find any combination of girls mashing coochies. Sounds like an awesome life, right? But I started to feel like something was missing.

Whatever it was, first I needed a job. There was this one local coffee place called Steam's a few blocks from the apartment. They paid minimum wage and only needed part-time help, but it was something, at least. Turns out, my job at Steam's was totally fated to be—my first step toward awesome things.

It started because I met Pablo. He hung out at Steam's all the time and drank ten-cent refills of green tea for, like, hours. I noticed he was pretty cute—sort of crazy-looking, with dirty white-boy dreadlocks and green eyes. His hands and fingernails were always stained and grubby like a mechanic's, but actually he was an artist. We kind of got to be friends. One night he took me to this noodle place where it was like $2 for a bowl of ramen. I guess it was a date.

"How long you been in the city?" He slurped his noodles like he was starving. I guess he *was* starving 'cause he's skinny and an artist.

"Only, like, three months or so. I don't know what I'm doing. I love art, but I have no talent. I don't know. I just want to be part of something."

Pablo pointed his chopsticks at me. "Dude, what about art modeling?"

‘It’s fucking rad that you have a bush,’ he said.

“Okay,” I shrugged. “I don’t know what that means.”

“Seriously. There’s this community art center in the East Village, and they pay you $50 just to sit there and be naked while people draw you. It’s *awesome*.”

Art modeling sounded like one of the greatest ways ever to make money. I mean, obviously I have no problem being naked in front of people! I was ready to sign up that minute.

But first, Pablo took me to the closet he lived in (only a mild exaggeration—seriously, the place was tiny) and undressed me.

“I love being naked,” he said. “Fully alive and free.” He shook off his raggedy clothes and pressed his warm, brown body against me.

“You’re body’s perfect,” he whispered, running his fingers from my shoulders, across my breasts, down my belly, finally resting on my butt cheeks. I could feel his hardness pushing against my mound. I wanted to just shove it inside me. I controlled myself and let Pablo continue fondling me.

“It’s fucking rad that you have a bush.” He rubbed my pubes. I gasped. My clit was insanely sensitive. “I don’t understand why all these chicks think they need to wax their poonies,” he said. “Natural is *awesome*.” He dropped to his knees and inhaled my bush. “You smell *amazing*.” His nose tickled. I couldn’t take it anymore.

I moaned. “Fuck me!”

Can I please tell you that it is so not my style to bust out with something like that? Honestly, I try to be a lady. But, OMG, I was so horny that it was seriously an emergency.

Anyway, Pablo was happy to oblige. We did it standing up against the wall, wedged between the stove and the futon frame. Unglamorous maybe, but that was some hot sex. When Pablo shoved his cock into my pussy, it was, like, the angels began to sing.

“Please, yes, fuck me like that,” I groaned as Pablo pounded me against the wall. Sweat poured down my forehead. I clawed his back and wrapped one leg around his waist and pulled as tight as I could, like I wanted to suck his whole body into my puss. I felt like a beast.

When Pablo came, he hosed me down, swinging his dick and spraying me every which way. “I’m Jackson Pollack!” he roared. Whatever *that* means. I was just like, I. love. jizz. on. me. I’m a perv—what can I say!

We spent a couple of days having sex nonstop, except for one shift I had to make at work. I mean, it was like I was starved for cock! But the sexfest finally had to end, and Pablo took me down to the art center so I could find out about modeling. That is when my whole world changed.

First of all, let me say that Pablo is not my boyfriend. We were just cool friends enjoying each other’s bodies. So please don’t think I’m a slut when I tell you that the moment my eyes fell on Gun Jansson, director of the art center and the most amazing and beautiful man I have ever seen, I was like, Pablo who?

Pablo introduced us. I shook hands with Gun and saw stars. I couldn’t remember what I was doing there in the first place. Gun is tall, and his hair is long and silvery gray. He is *so* hot, you guys,

believe me. There's nothing wrong with gray hair. Also, Gun is only like 47—that's not even that old.

Pablo left, and I sat with Gun for an interview. I told him where I was from and what I was doing. He asked if I was comfortable with nudity and I was like, "Well, actually, I was in a national magazine? Called BARELY LEGAL?"

Gun smiled and said, in this weird accent because he's from, like, Switzerland or something, "Jordana, I am not a dirty old man, but I must ask you to disrobe, please."

I got naked, and he was very calm. In fact, he almost seemed unimpressed, which made me want to die. But maybe he was just playing it cool 'cause he didn't want me to think he was a pervert, and also, he's an artist and he sees naked people every day. I guess I looked okay, though, because he told me to report for a sitting the very next day.

Just by the way, artist modeling *rules*. You just sit there, and people draw you, and after class you get to see what they made, and it's like, Wow, I'm *art*! That's a super special feeling.

Anyway, I started modeling two or three times a week, plus I hung out a lot at the art center during my time off because the people were cool. Like this one girl Jane. She had huge, curly red hair and looked like a painting. She could tell I had it bad for Gun even though I never said anything. One day out of the blue, she was just like, "Dude. Gun acts all cool, but the truth is he's a freak. If you want to fuck him, he's easy."

That was hard to hear. My feelings weren't cheap like that. Plus I didn't believe that Gun was "easy." Still, Jane's words got me thinking. Maybe the only way to get closer to Gun was to make the first move. So one day I decided to.

I waited outside Gun's office for three hours, and finally he arrived. I didn't even say hi, I just blurted, "Can I talk to you, please?"

Gun opened the door and waved me toward his sofa draped with ethnic-print fabrics. I sat down, but I was all squirmy and sweaty. I couldn't stand waiting another second.

"Mr. Jansson, I want for us to have something. Gun, I have feelings."

What did that even mean? I have no idea, but Gun understood. He sat down beside me. "I've been waiting, my beauty." He brushed my cheek. "All you had to do was say."

I stood and he undressed me. He studied my body and went to his desk and started rummaging. He handed me a pair of wedge sandals and garters and stockings. They totally looked like something out of the '70s, but whatever floated his boat was cool with me.

I put them on and actually felt pretty sexy, like I was someone else from a different time and place. Gun sucked my nipples. I closed my eyes and felt dizzy. I could have fallen over. He must have licked my tits for days. Once he had me hypnotized, he bent me gently over the sofa and smacked my butt cheeks.

"A glorious ass made to love," he exclaimed. He spanked my butt hard. It stung. The sound was sharp and ringing. I flinched from the pain, but it made me horny. He smacked me again and again. My pussy gushed. I never imagined I would have gotten wet from spanks, but it sure was working.

“I wanted to suck his whole body into my puss.”

> **Gun slid his cock inside my asshole.**

Gun nudged his thumb against my butthole. “A quivering rosebud,” he said. Then I heard a splat and felt something wet. He spit on my pootie! That might sound gross, but it was *sexy*. He massaged my toot. It relaxed and opened up.

With any other guy I might be like, Butt sex on the first date? No. But with Gun, it felt right. Like I knew he would reach some kind of secret spot.

With a low, slow groan, Gun slid his cock inside my asshole. I gasped, held my breath, released. It felt so good, like an itch being scratched. I dug my fingers into the sofa. Gun’s cock was super hard and strong and went *deep*. He grinded into my butt, and I pushed back, just wanting him deeper and deeper, until he might split me in half.

We went on like that for an hour—an hour and a half, maybe. It was like being underwater, in slow motion. I came in my butt, too. I swear I did! And Gun, when *he* came, he filled my whole butt up. I felt dirty and disgusting. It was ecstasy.

Later on, Jane was like, “Don’t get all gooey for Gun. He has, like, three girls he keeps in reserve.” Big deal, so do I! But anyway, she’s wrong. Gun and I are together a lot. I see the way he looks at me right before he turns me around and slides his boner between my cheeks. It’s meaningful. I’ve even been to his (totally luxe!) apartment.

Who knows? Maybe one of these days he’ll take me home for keeps, and I’ll say so long to the roomies. I love them a lot, but I feel I’ve grown so much. I’ve learned tons about art and culture and, most important, about love, especially. ★

APRIL

truth *and* dare

photography by jana krenová

Hi, guys! I'm Rachel the intern. April is a sweetheart, but she's also a naughty college freshman who likes to get in trouble and will do anything on a dare. For example? Read my awesome interview!

Hobbies: Art, reading, swimming, music, cooking. I love the beach, warm weather and travel. I also enjoy having great conversations with new people.

Personality: I'm very easygoing and happy. Most of my friends would say that I'm a fun person that's full of life.

Sexual personality: I like to fool around, and I like to try new things. I'll do it whenever—and wherever—the mood strikes. Oh, and I can be very noisy.

Do you like oral sex? I love it. It can lead to a lot of fun.

Have you tried anal sex? Yeah, it was awesome.

What do you like to do after sex? Do it again! Or just cuddle and talk.

Have you ever had sex with someone you just met? Maybe.

Have you ever had sex in a public place? Yes, but I'm pretty sure we were alone.

How often do you masturbate? A couple times a day.

Do you use sex toys? Sometimes. I have a dildo my girlfriends got me as a joke. It's as big as my arm! I've tried to fit it in my mouth a couple times. I need to get better at blowjobs.

Are you bisexual? I'm *friendly* with girls, but those kinds of things just happen. When I go out, I'm looking to meet dudes.

What's the naughtiest thing you've ever done? I flashed a campus tour group once on a dare.

Did you get in trouble? Yeah, my boobs can get me into trouble—but they can also get me out of it! I convinced the campus security guy to let me go with a warning.

Have you ever been titty-fucked? Oh, yeah. That's fun—except when guys come up your nose!

What's the best sex you've ever had? At night under the stars.

What's your ultimate sexual fantasy? It would be hot to do it in front of an audience. Just the thought of turning other people on with my body makes me excited.

Is that why you decided to model for us? Yeah, that—and because someone dared me! ★

MELANIE

shy little show-off

Hey, guys! It's Nikki the intern comin' at 'cha with my girl Melanie and her boobs. Yes, I know she has a personality, too, but her titties are *very* distracting. And just think—we *almost* didn't get to see them at all!

Describe your personality: I've always been super shy.
Favorite hobbies: Reading mysteries, listening to my iPod.
Relationship status: Single. It's hard for me to meet guys.
How can a guy pick you up? I like guys who are confident and take-charge. But I think my shyness might turn them off. I don't get asked out a lot.
What do you look for in a guy? A hot guy who's a good kisser and good at...other...stuff.
Be honest: Are you a virgin? No! I've had sex a *bunch* of times.
Okay, if you've had sex, what's your favorite position? Doggy-style.
What's your favorite sexual activity? Sucking cock.
Do you spit or swallow? I like to swallow. The first time I made a guy come with just my mouth was *soo* satisfying.
Have you tried anal sex? Yes. One time when a guy was doing me from behind, I let him put it in my butt. It felt pretty good. Plus, I didn't have to look him in the eye. Maybe that's why I like doggy so much?
Are *you* asking *me*? I'm just trying to figure things out.

photography by sexkicks

What I want to know is, how could someone so shy pose nude? Well, honestly, the idea did freak me out. But then I was like, I don't want to be shy my whole entire life and miss out on things. So I did it to challenge myself.

Was it a good experience? It was awesome! First of all? The photographer wasn't like, "Take all your clothes off RIGHT NOW!" He started slow, like, with me just lifting my skirt to show my panties. Then he wanted to take a picture of my boobs. So I pulled my shirt up a little, and he was like, "You have the most amazing tits I've ever seen." Which, I'm sure he's seen nicer ones in his business, but that still made me feel good! It was totally easy to get all naked after that.

Did posing nude make you hot? Actually, not to sound conceited, but it makes me hot to look at my pics and know I actually did it! I just hope BARELY LEGAL readers have the same reaction! ★

Hi, I'm Rachel the intern. In high school, Courtney Page was a total V. Now she's decided to pay her way through college by doing porn! But while the extra cash is nice, she's *really* doing it for the sex.

Hobbies: Sex, snowboarding, hanging out with my friends—you know, the usual.
Favorite music: All of it, I guess, except country—yuck!
Favorite movies: Horror!
Favorite TV shows: Everything—I love the friggin' TV!
Favorite books: I like so many authors, but I want to read something by Hunter S. Thompson and see if I like him, too.
Favorite sexual activity: I like to try new things. It's *all* pretty new to me, but the kinkier the better.
Favorite porn star: Jesse Jane. She inspired me to get into the business. But now I'm MySpace friends with girls like Kirsten Price, Jessica Drake and Jenny Hendrix. And I hung out with them, too!
What do you look for in a guy? Someone who can make me laugh.
Are you bisexual? You better believe it.
What do you look for in a girl? Just someone hot who I can have a good time with. I've mostly been with brunettes, but I like blondes, too. Big boobs are hot.
Do you like oral sex? I haven't sucked that much cock, but, yeah, it's fun.
Do you spit or swallow? I like to swallow, but I like it more when guys come on my face or boobs.
How did you get into modeling? I used to stock movies in a sex shop. I'd look at the back of the boxes and be like, "I could do that!" That's when I decided that I wanted to do porn.

Have you done any movies? Just a couple so far. I'd love to do a BARELY LEGAL movie—*hint, hint*! But I did get to work with Tommy Gunn. One of the reasons I wanted to get into the industry is because I got so turned on watching a scene with him and Jesse Jane.

So, you're enjoying yourself so far? Yeah, it's awesome. It's only been a couple months, and I've already had boy/girl threesomes and boy/boy threesomes. That would never happen in real life. I'm living out my fantasies.

How was it with two guys? Did you do the double-penetration thing? You mean one in my pussy and one in my ass? No, I could only handle them one at a time. My pussy's so tight, I could barely even handle the one!

Have you tried anal? Not yet. But it's on my to-do list. Once I get a little more comfortable with sex, then maybe I'll try it. I mean, I just lost my virginity recently. I don't think I'm ready for anal—yet.

Future goals: I'm studying to be a sex therapist!

YOUNG LATIN ASS #5

★★★★

HUSTLER Video. Directed by Van Styles; starring Paige Taylor, Veronique Vega, Alexis Love, Rachel Milan, Mikayla, James Deen, Mark Ashley, Jerry and Mr. Pete.

There's not a lot of butt sex in *Young Latin Ass #5*, but there's plenty of butt love. I'm pretty sure the girls were chosen on the basis of their booties. Cute little Rachel Milan is 50% heinie. For someone who's skinny everywhere else on her body, she's got some junk in the trunk. Paige Taylor has one of those big, round butts the guys go nuts for, but she's got boobs a-poppin', too. Not even a sexy corset can contain her. The girls wear some sexy lingerie, like, with fishnets and stuff, but they look better naked. Of course, the highlight for me was one Miss Veronique Vega. She's a "spicy" Puerto Rican who prefers Latin guys because, she goes, "they know how to handle me." And she knows how to handle Mark Ashley's giant boner! Meanwhile, Alexis Love is just drop-dead gorgeous without even trying. Alexis and Veronique are tiny girls with buns of steel, so butt lovers get a whole range of hot ass to choose from. If you hate to see girls leave, but love to watch them walk away, you'll totally get your butt kicks from *Young Latin Ass #5*.

Paige wants you to shoot for the moon.

JULIETTE
my darkest secret

Hey, guys! Nikki the intern here with the fair and beauteous Juliette. But don't let the name fool you. She's no drama queen—just a regular Midwestern high school girl who happens to like sex.

Interests: Swimming, reading, fishing, camping, going to the movies.
How did you get your all-over tan? I enjoy various outdoor activities. Sometimes in the nude!
Have you ever had sex in public? Not, like, in *public* public, but outdoors, in a secluded spot.
What's the best part of your body? I think I have nice boobs. They're not big enough to have their own fan club, but they have a nice shape. Plus, I like to play with them.
What's your favorite part of a guy's body? Besides the penis? *Hmm*, I guess the eyes and the arms. I like guys with big arms—the better to hold me!
Favorite sexual activity? Oral sex—giving and receiving.
What do you like best about it? Well, I have the *biggest* orgasms when a guy goes down on me. Going down on guys is best when they make noise. Then I know if I'm doing a good job. I like giving head to a guy while he's standing up and seeing if I can make him go weak in the knees—literally!
What are you like in bed? I can be very energetic and kind of scream-y. I like it best when the guy takes charge.
What's your deepest, darkest secret? I like to lick buttholes!
Do guys like it when you do that? I guess. I haven't had any complaints!
Do you like anal sex? It's awesome! It has to be with the right guy, though. You don't want a guy who's too rough, or your booty will hurt for a week!
What's the wildest sex you've ever had? One time, my boyfriend at the time tied me to the bed with socks, and I was just laying there bare-ass naked on the bed with my legs wide apart. It was fun to pretend to struggle like I was helpless, but he didn't tie the socks very tight, and I kept slipping out!
Why did you decide to pose nude? I never thought I would do it, but I got curious and thought I would try it. Life is too short to let things pass you by.
Did you like it? Did it make you feel hot? Oh, yeah. I'm not used to being treated like a sex symbol! LOL! But the photographer was very flattering. And touching myself in front of him made me very wet down there.
Plans for the future: I hope to meet a nice guy and start a family someday. ★
